

The Burton D. Morgan Foundation

Committed to the Free Enterprise System®

Last week The Burton D. Morgan Foundation celebrated National Entrepreneurship Week by launching the Lemonade Day Northeast Ohio youth entrepreneurship program. Julie Eberly, Chief Expansion Officer of Prepared 4 Life (the organization that runs Lemonade Day), visited Hudson to speak to a group of 40 educators and youth organization representatives about Lemonade Day and how they could get involved with the pilot in 2011 or as the program expands in coming years.
